

TERMS & CONDITIONS

BY BOOKING WITH Johnny's Bouncy House & Party Rental's FACE PAINTING YOU AGREE TO THE FOLLOWING TERMS & CONDITIONS OF SERVICE. PLEASE ENSURE YOU HAVE READ AND UNDERSTAND THEM IN FULL BEFORE BOOKING AS THIS FORMS OUR CONTRACT.

HEALTH & SAFETY

- 1. We have high standards regarding hygiene and Health & Safety practice. If sponges are used, we use a clean sponge for each face; brushes are cleaned regularly throughout each event.**
- 2. To ensure we can keep our hygiene practice maintained, we have a strict policy that no one other than the artist touches the paints, brushes and other products being used. Please ensure children are supervised at all times. Failure to follow this rule will result in full compensation to replace paint that has been crossed-contaminated or any equipment that is damaged.**
- 3. For safety reasons, we are strictly unable to paint anyone under the age of 24 months. This is in line with the manufacturer's recommendation. We cannot make any exceptions.**
- 4. Please note that all cosmetic products, on rare occasions, can cause skin reactions. Therefore, we highly recommend that people with skin allergies or sensitive skin should either not participate or have a patch test at the beginning of the event. The decision to take part is at the individual's and/or responsible adult's discretion. The paints and products used are all professional cosmetic grade and therefore have been tested and meet EU requirements. However, people with allergies should take caution with anything they may apply to their skin. We cannot be held responsible for skin reactions.**
- 5. Face Painters are booked on the basis of providing an entertainment activity only. Artists are NEVER to be asked to "look after", "keep an eye on" or supervise any children at any time. All**

children remain the responsibility of the parent, guardian or event host.

6. We do not paint anyone who presents as unwilling to take part. This includes sleeping children. Children must be able to sit still, unaided by the parent/carer.

7. In the interest of everyone's health and safety, we will not be able to paint anyone who appears ill, suffering from cold sores, broken skin or any contagious condition to prevent contamination of paints and products. We hold the right to refuse painting anyone whom we feel may put themselves, others or our staff/equipment at risk by cross-contamination.

8. We reserve the right to cease painting if the conduct of anyone in attendance acts in a way that the face painter feels inappropriate or causes harm or may cause harm to the people taking part, the artist or the artist's equipment.

9. For private parties and events, it is the responsibility of the organizer to obtain permission from a parent/carer for all children expected to take part.

10. We are unable to take responsibility for the welfare or safety of any person waiting in line or saving places for anyone. Please ensure children are supervised at all times.

11. We request that anyone wishing to have their face painted should be ready to take part with a clean, dry face. Children with dried food, drool, runny noses cannot be painted until their face has been cleaned and dried by their accompanying adult.

12. We request that participants do not eat or drink whilst taking part as this could contaminate the paints and products, as well as slow down the queue as the artist will then need to clean down any food spills or wait for participants to stop chewing. We cannot paint moving faces.

13. Please ensure adequate lighting is available and that the artist is positioned at the furthest possible distance from any sound systems and/or physical activity i.e. children running/playing, ball games etc where the artist may be accidentally knocked.

14. If the event is outdoors, shelter will need to be provided for us, either in the form of a set up gazebo or space in a shared marquee etc. If we experience severe weather, i.e. heavy rain or strong winds, the artist will discuss with the organizer the potential of relocating to a sheltered area or other options to enable the activity to continue.

15. Most bookings are made with a time window of arrivals. Exact time booking times allow artist to have a 20-minute late time window, although this doesn't happen often, sometimes our artist will encounter delays on the road that are out of their control. Artists will always keep a line of communication open if running late.
